

Like last summer, you can order your school supplies online with High Street Books and we will deliver to your home. We offer free delivery on orders over €25 (otherwise €5.95).

For convenience, your school booklist is uploaded to our new website, so no need to search for each item. We do the searching for you!

CREATE AN ACCOUNT

We have a new website this year so please create a new account and sign in before you begin.

Once you select your school and class, click "Search Books". Now the items on your list are displayed.

Select "Add All Items to Cart" and everything on your list (eg 6 x88pg copies) will be added to your shopping cart. Or add each item individually if you prefer. Items can be removed or extra items added to your cart too.

If you are not part of your school's book rental scheme and you would like to purchase the rental books, please use the search function & add them to the cart.
