

EASTER RAFFLE – PARENTS’ ASSOCIATION FUNDRAISER

The Parents’ Association of Scoil Mhuire na nGrást, Belgooly is delighted to announce our upcoming Easter Raffle, which will raise funds to support many of the wonderful activities that take place throughout the school year.

Funds raised will help support:

- Decorating the school for Halloween and Christmas
- Santa’s visit and festive treats
- Special visitors to the school
- Sports Day treats
- The 6th Class end-of-year celebration
- The continued development of our sensory garden and sensory room for all children

These activities are important features of the school year and greatly contribute to the enjoyment, wellbeing, and overall experience of our children.

We sincerely appreciate your continued support. Any contribution to the raffle, no matter how small, is most welcome and greatly appreciated.

Each child has been given a raffle card; however, there is no obligation to sell any lines. There will be a seller’s prize for each class, as well as prizes for those who purchase lines.
